

LAYOUT FOR MAILING SIDE OF POSTCARD

Following this layout will ensure you get the best automated postage rate.

OVERSIZED SIZE POSTCARD 9 X 6 inches

● BLUE MAILING AREA

This is the area where the mailing addressee and bar code are printed. Leave this area free of text and graphic images. If any text or image is within this area the postage costs will increase approximate 20%, and change the USPS classification to a non-automated mail piece.

ADDITIONAL MAILING INDICIA'S

First-class mail, standard-mail and non-profit mail utilize a different indicia identification. Please identify how your mail is going to be mailed and utilize one of the following indicia's within your artwork.
